Merchant Account Information at a Glance

Pivotal360's dashboard displays your complete merchant profile, allowing you to browse your merchant account right from the homepage. The dashboard gives you an overview of your most recent account activity. Plus, with recent news, a knowledge center and a self-help tool coming soon, the support you need will be right at your fingertips.

Stay Informed With Detailed Transaction Reporting

You can now quickly view transaction data by day, month or year to date and see how well your business is doing. You can even drill down to see individual transaction details for more complete information. Managing financials just got a whole lot easier with Pivotal360.

Search Smarter, Not Harder

Imagine never having to look through the filing cabinet or a stack of invoices for a transaction again! Pivotal360 is your gateway to better reporting by helping you locate transactions individually or by batch. Our Smart Search feature allows filtering of transactions by any criteria: date range, batch number, sales or return dollar amount, terminal ID and much more!

Custom Reports On Your Terms

Quickly and easily view batches, disputes, funding, statements and basic merchant account information with a few simple clicks. To better maintain financials, Pivotal360 offers the ability to export reports in Excel format to be used with many preferred accounting software solutions.

PC, Mac & Tablet Compatible

Access your statements and extract detailed reports anytime, wherever you are.
